

CHARTER BOARD POLICY HANDBOOK

New Humble Community School

September 2022

This Charter Board Policy Handbook has been developed to highlight and support the very important governance function of the Charter Board. In addition to clearly defining the role of the Charter Board, the role of the Superintendent and the delegation of authority from the Charter Board to the Superintendent, it includes the following as policies:

1. Foundational statements which provide guidance and direction for all activities within the School;
2. Directions for how the Charter Board itself is to function and how individual Directors are to conduct themselves; how Charter Board committees and representatives are to function;
3. Statements as to how appeals and hearings will be conducted;
4. Non-delegable matters such as policy-making and school closures; and
5. Specific matters which the Charter Board has chosen not to delegate to the Superintendent.

This Charter Board Policy Handbook is intended to be supplemented by an Administrative Procedures Manual; the primary written document by which the Superintendent directs staff. The Manual must be entirely consistent with this Handbook.

The development of two separate and distinct documents is meant to reinforce the distinction in this School between the Charter Board's responsibility to govern and the Superintendent's executive or administrative duties.

It is to be noted that the electronic versions of both the Charter Board Policy Handbook and the Administrative Procedures Manual as well as any other handbooks/manuals referenced are always the most current documents available.

FOUNDATIONAL STATEMENTS

Vision

To foster the growth of each individual student through innovative academics, stewardship, and agricultural literacy.

Mission

To provide a safe and caring environment where academic excellence, character development, parental involvement and staff leadership are valued and fostered.

To provide our students with a unique educational environment that:

- Expands learning through innovative agricultural and experiential land management education;
- Utilizes hands-on and outdoor learning
- Fosters a joy of learning and instills curiosity and confidence;
- Fully supports and engages their needs, abilities, and growth;
- Develops opportunities for genuine collaboration and self-reflection; and
- Is guided by compassionate, hands-on, creative educators who will represent and impart these skills and values in all students.

Guiding Philosophy

It starts with a seed.

What does it take to grow from a tiny seed to a towering tree? A handful of grain to a field of wheat?

Seeds must be planted, tended to, and nourished. The seed of an idea - the idea of education - must grow until it is able to perform the vital function of preparing us to understand the whole process of life. And life is more than merely an occupation or a job; life is something extraordinarily wide and profound. How does this tiny seed of an idea grow until its roots and branches can fulfill this amazing function? We believe it takes more than a classroom to truly educate our children for life. Our branches are experience and intelligence. Our roots are reflection and critical thinking. And this takes us to innovation, so that we will continue to grow and to thrive; so that we can appreciate and contribute in meaningful and powerful ways to life. How do we do this? By planting seeds.

Guiding Principles

We believe:

- Students can use the lens of agriculture, stewardship, and experiential learning to make meaningful connections that lead to success in education and in all areas of life;
- All students can maximize their diverse abilities and gifts through this comprehensive and specialized approach;
- Teachers with an understanding of agricultural literacy are informed about the complexity and interconnectedness of learning and teaching.
- Teachers will develop and encourage respect, empathy, reciprocity, and cooperation. - parents, guardians, and community members are integral partners in children's education and all have a role to play in this unique and vibrant school.
- School administration are to monitor and implement the growing weight of evidence about the positive impact of learning outdoors;
- Our students will develop the skills, resilience, and values to ensure that they grow to be accountable and contributing citizens of local and global communities.

Measurable Goal

To foster improved learning outcomes through growth, stewardship and innovation.

Outcomes

- Students will recognize, understand and achieve agricultural literacy at al level appropriate for their age group.
- Students will demonstrate problem solving through adaptability, resilience and critical thinking.
- Students will understand the value of goals and outcomes.
- Students will achieve academic successes while displaying leadership.

School Logo

The Humble Herd logo has a barn with the silhouettes of various agricultural animals in front. This school logo is intended to engage any viewer (student, parent, etc.) to an immediate connection with outdoor learning and agriculture literacy.

Society Logo

The society logo has a similar shaped outline of a barn, a small plant sprouting from an open book. The open book is to also evoke the plowed lines and a field. The society logo is to bring together the concepts of learning or education (the book), growth and nature (the sprout), and agriculture (the barn and field).

PUBLIC INTEREST DISCLOSURE (WHISTLEBLOWER PROTECTION)

The Charter Board is committed to acting with integrity and to ethical behaviour in all matters. To that end, the Charter Board will help to foster and maintain an environment where employees can act appropriately, without any fear of reprisal. Further, the Charter Board strongly encourages employees to seek counsel from supervisors whenever they are in doubt about the best and ethical course of action in a particular situation.

Specifically

1. The Charter Board maintains a culture characterized by integrity, respect, trust and care, and expects all staff to demonstrate high ethical standards in their work. Staff may expect in return a positive workplace.
2. The Superintendent is the “chief officer” of the Charter Board as stipulated in the Public Interest Disclosure (Whistleblower Protection) Regulation.
3. The Superintendent must develop an Administrative Procedure to operationalize the Public Interest Disclosure (Whistleblower Protection) Act and Regulation in the School.
 - 3.1. The intent of the Administrative Procedure must reinforce the duty of every staff member to report genuine concerns of any wrongdoings as defined in the Act.
 - 3.2. The Administrative Procedure must provide assurance that any concerns expressed will be investigated thoroughly and that staff members raising concerns reasonably and responsibly will not be penalized in any way.
 - 3.3. Further, the Administrative Procedure must make provision for the reporting of concerns to the Charter Board Chair in the event circumstances prevent a disclosure to the Superintendent.

ROLE OF THE DIRECTOR

The role of the Charter Board Director is to contribute to the Charter Board as it carries out its mandate in order to achieve its core purpose. The oath of office taken or affirmation made by each Director when s/he assumes office binds that person to work diligently and faithfully in the cause of public charter education.

Individual Directors exercise an effective decision-making role in the context of corporate action. A Director who is given authority by Charter Board motion to act on behalf of the Charter Board may carry out duties individually but only as an agent of the Charter Board. In such cases, the actions of the Director are those of the Charter Board, which is then responsible for them. A Director acting individually has only the authority and status of any other Society member. Individual Directors do not have the authority to direct the Superintendent or staff.

Specific Responsibilities of Individual Directors

In carrying out their role, each Charter Board Director shall be responsible for the matters indicated below and shall:

1. Become familiar with Society bylaws, Charter Board policies and Administrative Procedures, meeting agendas and reports in order to participate in Charter Board business;
2. Recognize his/her fiduciary responsibility to the School and act in the best interests of the School, understanding that the School needs are paramount;
3. Vote on every Charter Board motion, unless there is a conflict of interest;
4. Support a majority vote of the Charter Board as if the vote had been unanimous;
5. Provide for the engagement of parents, students and the community in matters related to education;
6. Respectfully bring forward and advocate for issues and concerns;
7. Refer matters not covered by Charter Board policy but requiring a corporate decision to the Charter Board for discussion;
8. Refer administrative and operational matters to the Superintendent and work to maintain the distinction between governance and operational responsibilities;
9. Upon receiving a complaint or an inquiry from a parent, staff member or community member about operations, refer the parent, staff member or community member back to the teacher or principal and inform the Superintendent of this action;
10. Keep the Superintendent and the Charter Board informed in a timely manner of all material matters coming to his/her attention that might affect the School. Personnel matters are to be brought to the attention of the Superintendent only;

11. Attend Charter Board meetings, and committee meetings as assigned, having reviewed all applicable materials and being prepared to participate in, and contribute to, the decisions of the Charter Board in order to work towards the best solutions possible for education within the School;
12. When delegated responsibility, will exercise such authority within the defined terms of reference in a responsible and effective way;
13. Participate in Charter Board/Director development sessions so the quality of leadership and service in the School can be enhanced;

15. Share the materials and ideas gained with fellow Directors at a Charter Board meeting following a Director development activity;
16. Strive to develop a positive and respectful learning and working culture both within the Charter Board and the School;
17. Attend School Council meetings as a Charter Board representative upon invitation, when reasonably possible;
18. Attend, when reasonably possible, the School functions/events;
19. Attend extra-curricular School activities, including graduations, when designated or formally invited as Charter Board representative and where reasonably possible;
20. Become familiar with, and adhere to, the Director Code of Conduct; and
21. Report any known violation of the Director Code of Conduct to the Charter Board Chair or, where applicable, to the Vice-Chair.

Orientation

As a result of elections, the Charter Board may experience changes in membership. To ensure continuity and facilitate smooth transition from one Charter Board to the next following an election, Directors must be adequately briefed concerning existing Charter Board policy and practice, statutory requirements, initiatives and long-range plans.

The Charter Board believes an orientation program is necessary for effective Directorship. All Directors are expected to attend all aspects of the orientation program.

1. In the year of an election, the Charter Board will host a preliminary orientation session for all elected candidates prior to the Organizational Meeting which will include a review of and an expression of interest in Charter Board assignments and committees.
2. The Charter Board will offer an orientation program for all Directors that provides information on:
 - 2.1 Role of the Director and the Charter Board;
 - 2.2 Charter Board policy, agendas and minutes;

- 2.3 Organizational structures and procedures of the School;
 - 2.4 Existing Charter Board initiatives, annual reports, budgets, financial statements and long-range plans;

The Charter Board may, however, in its discretion, call upon legal advisors to assist them on points of law or the drafting of a possible resolution.
 - 8.4. If the remaining Directors in deliberation require further information or clarification, the parties shall be reconvened and the requests made in both parties' presence. If the information is not readily available, the presiding Chair may request a recess or, if necessary, an adjournment of the Director Code of Conduct hearing to a later date.
 - 8.5. In the case of an adjournment, no discussion by Directors whatsoever of the matters heard at the Director Code of Conduct hearing may occur until the meeting is reconvened.
 - 8.6. The remaining Directors in deliberation may draft a resolution indicating what action may be taken regarding the respondent Director.
 - 8.7. The presiding Chair shall reconvene the parties to the Director Code of Conduct hearing and request a motion to revert to the open meeting to pass the resolution.

CHARTER BOARD OPERATIONS

The Charter Board's ability to discharge its obligations in an efficient and effective manner is dependent upon the development and implementation of a sound organizational design. In order to discharge its responsibilities to the members of the Society, the Charter Board shall hold meetings as often as necessary. A quorum, which is a simple majority of the number of currently serving Directors, must be present for every duly constituted meeting. The Charter Board has adopted policies so the business of the Charter Board can be conducted in an orderly and efficient manner.

The Charter Board shall meet regularly, according to the schedule of meeting dates established annually. The Charter Board Chair shall call or cancel meetings, as required.

The Charter Board's fundamental obligation is to preserve and enhance its Charter and the public trust in education, generally, and in the affairs of its operations in particular. Consistent with its objective to encourage stakeholders to contribute to the educational process, Charter Board meetings will be open to the public. Towards this end, the Charter Board believes its affairs must be conducted in public to the greatest extent possible and in a format that encourages stakeholder participation.

There are times when public interest is best served by private discussion of specific issues in in camera sessions.

Having members of the Society make presentations at Charter Board meetings can enhance member interest.

Public forums dealing with specific educational topics can enhance communications and the effectiveness of the Charter Board.

Occasionally, unanticipated or emergent issues require immediate Charter Board attention and/or action.

- 5.1. The Charter Board may, by majority vote, schedule a closed meeting at a time or place agreeable to the Charter Board or recess a meeting in progress for the purpose of meeting in camera. 8. Motions

8.1. Notice of Motion

The notice of motion serves the purpose of officially putting an item on the agenda of the next or future regular meeting and gives notice to all Directors of the item to be discussed. A notice of motion is not debatable and may not be voted on.

8.2. Discussion on Motions

The custom of addressing comments to the Charter Board Chair is to be followed by all persons in attendance. A Charter Board motion or a recommendation from the Superintendent must generally be placed before the Charter Board prior to any discussion taking place on an issue.

Once a motion is before the Charter Board and until it is passed or defeated, all speakers shall confine their remarks to the motion or to the information pertinent to the motion. Motions may be submitted by any Director, including the Charter Board Chair.

8.3. Speaking to the Motion

The mover of a motion speaks first, and every Director shall have an opportunity to speak to the motion.

The Charter Board Chair will normally speak just prior to the last speaker who will be the mover of the motion.

The mover of the motion is permitted to close debate on the motion. As a general guide, a Director is not to speak longer than five (5) minutes on any motion. The Charter Board Chair has the responsibility to limit the discussion by a Director when such a discussion is repetitive or digresses from the topic at hand, or where discussion takes place prior to the acceptance of a motion. No one shall interrupt a speaker, unless it is to ask for important clarification of the speaker's remarks, and any such interruption shall not be permitted without permission of the Charter Board Chair.

When a Director arrives at the meeting after a motion has been made and prior to taking a vote, the Director may request further discussion prior to the vote. The Charter Board Chair shall rule on further discussion.

8.4. Reading of the Motion

A Director may require the motion under discussion to be read at any time during the debate, except when a Director is speaking.

8.5. Counted Vote

Whenever a counted vote is requested by any one Director immediately after a vote is taken, the minutes shall record the number of Directors who voted for and against the matter.

8.6. Recorded Vote

Whenever a recorded vote is requested by at least two Directors before the vote is taken, the minutes shall record the names of the Directors who voted for or against the matter. Immediately after a vote is taken and on the request of a Director, the minutes shall record the name of that Director and whether that Director voted for or against the matter.

8.7. Required Votes

The Charter Board Chair and all Directors present, unless excused by resolution of the Charter Board or by the provisions of the Education Act or Society bylaws, shall vote on each question. Directors' votes have equal weight. Each question shall be decided by a majority of the votes of those Directors present. A simple majority of a quorum of the Charter Board will decide in favour of the question. In the case of an equality of votes, the question is defeated. A vote on a question shall be taken by open vote, expressed by show of hands, except the vote to elect the Charter Board Chair or Vice-Chair, which is by secret ballot. A Director may request a ballot vote on any matter.

8.8. Debate

In all debate, any matter of procedure in dispute shall be settled, if possible, by reference to Parliamentary Procedure at a Glance (O. Garfield Jones). If this reference is inadequate, procedure may be determined by motion supported by the majority of Directors in attendance

8.9. Motion to Refer

If a motion needs to be discussed much more informally or at greater length than is possible in a regular meeting, the Charter Board may refer the motion for further consideration to an existing or a new committee under the guidance of Policy 8. Any such motion is to specify the committee to refer the motion to and instructions on when the Charter Board expects to receive a written report of recommendations for and/or amendments to the motion.

9. Presentations to the Charter Board

The Charter Board believes that the School Partners and employees of the Charter Board are to have the opportunity to make presentations to the Charter Board, and further recognizes the value of such information.

- 9.1. A request to make a presentation shall be to the Charter Board Chair, at least five (5) working days before the next Charter Board meeting.
- 9.2. The Chair may consult with the Executive Committee to determine whether the petitioner has followed Charter Board policy, the potential to prejudice the Charter Board's ability to hear an appeal, and whether or not it is repetitious.
- 9.3. Matters pertaining to personnel and legal and property issues shall be considered in an in camera session.
- 9.4. Relevant background information to the delegate's submission shall accompany the agenda.

- 9.7. Where a delegation requests action from the Charter Board, the Charter Board will usually respond at a subsequent meeting.
- 9.8. In emergent situations where the above procedure cannot be followed, the Charter Board Chair shall justify the emergency, then outline the subject and background prior to the delegation appearing before the Charter Board.

10. Audio/Video Recording Devices

The Charter Board expects that anyone wanting to use recording devices at a public Charter Board meeting shall obtain prior approval of the Charter Board Chair.

11. Fiscal Responsibility

11.1. No Profit For Charter Board Members

Charter Board Members shall be volunteers and will not be eligible for any honoraria, payments or benefits for their services, but may be paid for expenses incurred through the exercise of their duties in accordance with Charter Board policy.

11.2. Insurance

The Charter Board shall secure and continue to provide all necessary insurance including liability insurance for all Charter Board Members

12. Director Conflict of Interest

The Director is directly responsible to the Society membership and to the Charter Board. Upon election to office and annually thereafter, the Director must complete a disclosure of personal interest statement and accept a position of public trust.

The Director is expected to act in a manner which will enhance the trust accorded the Director and, through the Director, the trust accorded to the Charter Board. The Charter Board is of the firm conviction that its ability to discharge its obligations is dependent upon the trust and confidence of the Society membership in its Charter Board and in its Director members. Therefore, the Charter Board believes in the requirement to declare conflict of interest.

12.1. The Director is expected to be conversant with the relevant sections of the Education Act.

12.2. The Director is responsible for declaring him/herself to be in possible conflict of interest.

12.2.1. The Director shall make such declaration in open meeting prior to Charter Board or committee discussion of the subject matter which may place the Director in conflict of interest.

12.2.2. Following the declaration of conflict of interest by a Director, all debate and action shall cease until the Director has left the room.

12.3. It shall be the responsibility of the Director in conflict to absent him/herself from the meeting in accordance with the requirements of the Education Act and ensure that his/her declaration and absence is properly recorded within the minutes.

12.4. The recording secretary will record in the minutes:

12.4.1. The Director's declaration;

12.4.2. The Director's abstention from the debate and the vote; and

12.4.3. That the Director left the room in which the meeting was held.

13. Charter Board Performance Review

The Charter Board performance review shall be undertaken in conjunction with the Superintendent evaluation to reinforce alignment of purpose.

POLICY MAKING

On September 21, 2022, the New Humble Community School Charter Board adopted the G-TEC (Governance Through Engagement and Collaboration) Policy Model. There are four dominant themes in this model: Engagement, Collaboration, Role Clarity, and Assurance/Accountability. The model is grounded in relationships and involves a synergy of these themes. The model provides an overall general framework for policy making focused on transforming the Charter Board's will into reality while ensuring compliance with legal requirements and respecting individual Charter Board culture / autonomy (a blend of provincial mandate and local needs).

Policies create the framework within which the organization operates. The Charter Board understands that one of its key responsibilities is the development of policies which provide direction for the operation of the School.

The Charter Board will ensure that the Society membership and those affected by its policies will be given the opportunity to provide feedback on all policies during the approval/review/rescindment process.

Adoption of new Charter Board policies or revision/rescindment of existing policies is solely the responsibility of the Charter Board.

The Charter Board shall be guided in its approach to policy making by ensuring adherence to the requirements necessary to provide public education and compliance with the *Education Act* and provincial as well as federal legislation.

Charter Board policies shall provide an appropriate balance between the responsibility of the Charter Board to develop the broad guidelines to guide the School and the opportunity for the Superintendent to exercise professional judgment in the administration of the School.

The Charter Board believes in the establishment and review of policy which reflects its values and perspectives.

The Charter Board shall adhere to the following stages in its approach to policy making:

1. Planning

The Charter Board, in cooperation with the Superintendent, shall assess the need for a policy, as a result of its own monitoring activities or on the suggestion of others, and identify the critical attributes of each policy to be developed.

2. Development

The Charter Board may develop the policy itself or delegate the responsibility for its development to the Superintendent or a committee (standing or ad hoc).

3. Implementation

The Charter Board is responsible for the implementation of policies governing its own processes. The Charter Board and Superintendent share the responsibility for implementation of policies relating to the Charter Board-Superintendent relationship. The Superintendent is responsible for the implementation of the other policies.

4. Evaluation

The Charter Board, in cooperation with the Superintendent, shall evaluate each policy in a timely manner in order to determine if it is meeting its intended purpose.

Specifically

1. Any Director, staff member, Society member, School Council member or student may make suggestions regarding the possible development of a policy or the need for policy revisions on any matter by presenting a proposal for a policy or revisions/rescindments, in writing, to the Superintendent. The proposal shall contain a brief statement of purpose or rationale.
2. The Superintendent will inform the Charter Board of the request for policy development/revision/rescindment. The Charter Board will determine the action to be taken.
3. If necessary, the Charter Board may refer to a committee or to the Superintendent to draft amendments to an existing policy, draft a new policy, or evaluate rescindment of a policy as the case may be. The Charter Board, committee, or the Superintendent may meet with stakeholders as part of the development/rescindment process.
4. When appropriate, the Charter Board, committee, or the Superintendent may seek legal advice on the intent and the wording of the policy, or on the ramifications of rescinding a policy. Committees seeking legal advice will submit the request via the Committee Chair to the Executive Committee to engage legal counsel.
5. If the request was referred to the Superintendent, draft amendments or a recommendation for rescindment is then brought by the Superintendent to the Executive Committee for review and the Executive Committee will include its recommendation for first reading in its committee report.
6. If the request was referred to a committee, the committee will bring the policy draft or rescindment to the Charter Board in its committee report as a recommendation for first reading.
7. If accepted in principle by the Charter Board at first reading, the proposed policy, policy amendment, or policy rescindment will be referred to:
 - 7.1 The Principal for feedback from staff
 - 7.2 The School Council for feedback from parents;
 - 7.3 other groups and individuals as deemed necessary, and
 - 7.4 posted prominently to the School website.

8. Comments and/or suggestions must be received by the Superintendent within 14 days of the reading or by a deadline of at least 14 days after the reading if otherwise specified by the Charter Board at the time of the reading.
 - 8.1 These comments and alterations, or comments regarding the proposed rescindment of a policy, will be shared with the Charter Board through the Executive Committee report at the time of the next reading.
9. After second reading, the proposed policy, policy amendment, or policy rescindment may then be moved immediately for third reading (final approval). If it is not moved through third reading, it will be redistributed for further feedback according to the steps outlined in Item 7 above.
10. Under emergent circumstances, the Charter Board may approve a new policy, amend an existing policy, or rescind a policy without the customary three readings at any Regular or Emergency Public Charter Board Meeting. An emergent circumstance is a situation for which the Charter Board deems that the consequences would be irreversible/irreparable if a new or amended policy were not in effect, or if an existing policy continues to be in effect, within the timeframe specified in Item 8 above. As well, the Charter Board may by-pass the three reading process if amendments are deemed to be minor and do not change the meaning or intent of the policy. Any time the customary three readings are bypassed, the Principal and School Council will be notified of the changes that were made. A notice will also be posted prominently on the School website to notify all stakeholders of such changes.
11. In the absence of existing policy, the Charter Board may make decisions, by resolution, on matters affecting the administration, management and operation of the School. Such decisions carry the weight of policy until such time as specific written policy is developed.
12. Only those policies and resolutions which are adopted and recorded in the minutes constitute the official policies of the Charter Board.
13. The Superintendent shall develop Administrative Procedures as deemed necessary for the effective operation of the School. These must be in accordance with Charter Board policies.
14. The Charter Board may request the Superintendent to change an Administrative Procedure to a draft Charter Board policy and will provide the rationale for same.
15. The Charter Board may rescind a policy at any time, or move an Administrative Procedure into policy in accordance with Items 7 through 10 above. Where a policy is rescinded, the Superintendent may choose to develop an Administrative Procedure relative to this matter. The Superintendent must inform the Charter Board of any substantive changes to Administrative Procedures.
16. The Superintendent shall arrange for all Charter Board policies, Administrative Procedures, and subsequent revisions to be posted on the School's website within two weeks of final approval, for staff and public access.

17. The Charter Board shall review its policies on a three-year rotational basis unless otherwise specified within the policy or by legislation.

APPEALS AND HEARING REGARDING STUDENT MATTERS

Every New Humble Community School student and parent has the right to appeal to the Charter Board significant decisions or actions regarding student matters taken at the School.

The purpose of this appeal provision is to ensure that School decisions and actions are made in a fair, open and reasonable manner and in the best interests of students. Prior to appealing a decision to the Charter Board, a parent of the student or child must have followed the school dispute resolution (Administrative Procedure 152), which provides guidance regarding procedures for resolving differences. In instances where this process is unsuccessful, the following matters are appealable:

- Decisions significantly affecting the education of children/students;
- Fees charged by the Charter Board;
- Accuracy and completeness of a student record;
- Suspension of a child/student (if expulsion is being considered);
- Denial of admission of a child/student.

All Matters Other Than Expulsion of a Student

1. Requests for appeals to the Charter Board will be made through the Superintendent, who will arrange for a hearing with the Charter Board, and provide notice of same to all parties.
2. Directors of the Charter Board who are in conflict of interest or who believe that their judgment is unduly biased will withdraw from the appeal process.

5. The appeal hearing will provide an opportunity for all parties to speak to the issue(s) in dispute and to present pertinent documents. The appeal process is designed so that disputing parties will not require legal counsel; however, a person making an appeal may choose at his/her own cost to be represented by legal counsel. If any party is to be represented by legal counsel, all parties will be notified of this in advance of the hearing.
6. The appeal will be heard in closed session, with specified individuals in attendance.
7. Hearings will proceed with the following steps in place:

Expulsion of a Student

It is expected that all students will comply with relevant section(s) of the Education Act, Charter Board policy, Administrative Procedures, and School procedures and rules.

In accordance with the relevant section(s) of the Education Act, the Charter Board delegates to the Expulsion Committee, a Committee of the Whole, the power to make decisions with respect to the expulsion of students.

The Expulsion Committee will hear representations with respect to a recommendation for a student expulsion in accordance with relevant sections of the Education Act.

The Superintendent will convene a closed session of the Expulsion Committee, which will not occur later than ten (10) school days from the first day of suspension.

Parents of students, or students sixteen (16) years of age or over, have the right to be assisted by a resource person(s) of their choosing. The responsibility for engaging and paying for such assistance rests with the parents or students.

The Expulsion Committee may have legal counsel in attendance.

MANAGED GROWTH

The removal of the enrolment cap for each charter school with the Choice in Education Act's proclamation in September 2020 provides an opportunity for the organization to grow significantly in years to come. As the School approaches this growth opportunity, we believe that any such growth is to be approached in a thoughtful, managed and planned fashion guided by educational research.

Principles for Managed Growth

1. Growth must encompass the following:
 - 1.1. Align with the Charter and strategic plan priorities.
 - 1.2. Responsibly address the needs of the community concerning availability and access to programming.
 - 1.3. Be effective: efficient use of resources, personnel and facilities is necessary.
 - 1.4. Balance geographic distribution with stakeholder demands.
 - 1.5. Consider the impact of systemic, structural changes on existing school communities.
 - 1.6. Be reflected in the priorities of the annually approved capital plan.
 - 1.7. Allow for multiple points of entry into the School.

2. Timeline

The growth plan timeline depends largely on factors outside of the School's direct control, such as the availability of suitable surplus facilities and provincial capital plan priorities. This policy will inform the Three-Year Capital Plan, which is submitted annually to Alberta Education. The Charter Board will monitor opportunities and advocate for its capital plan priorities to expedite where possible the timeline for new construction projects, modernization and upgrades to the current building, modular classroom requests and access to suitable surplus properties when such opportunities present themselves.

4. The following process will be followed for the Secretary-Treasurer and all other senior administration direct reports to the Superintendent, excluding the Principal position:

 - 4.4. The Superintendent is delegated full authority to determine contract renewals for the Secretary-Treasurer and other senior administrator direct reports.

PARENTAL PARTNERSHIP

As reflected in our guiding principles, the Charter Board identifies the partnership between the home and school as essential, and works to leverage this powerful relationship to maximize the learning and development of our students. We believe this is best achieved through a strong collaboration of parents and staff which, in turn, creates a culture where successful student learning is produced by the School and the families. By working closely with parents as partners, the School fosters student confidence and character and guides students and families through the academic and social journey within and beyond the School. Parental partnership is the shared responsibility of both the School and parents.

Specifically

1. The Charter Board expects that 100% of parents (families) will engage as partners in their child's education through seven forms of parental involvement (adapted from Epstein, 2002) which include both basic and extended forms of partnership.
 - 1.1. The Charter Board expects parents to support the development and learning of their child(ren) through the forms of basic parental partnership to the extent necessary for their child(ren) to be successful:
 - 1.1.1. Parenting

The School supports parents in establishing home environments to support their children's development and learning as students.
 - 1.1.2. Communicating

 - 1.1.4. Personal Decision-making and Advocacy

Parents are valued partners in the making of School decisions affecting the education of their children.
 - 1.2. The Charter Board encourages parents to support the development and learning of their child(ren) and other students by:
 - 1.2.1. Volunteering

Parents are welcome, and their support and assistance are meaningful and valued. Volunteering includes, but is not limited to: helping in the classroom, School, on field trips, at School events or working at home to provide a service to the School.

1.2.2. School Decision-making and Advocacy

Informed parent representatives and leaders provide advice and advocate on behalf of all parents and students as part of the School's decision-making process. School Decision-making and Advocacy include, but are not limited to: participation at Charter Board, School Council, and committee meetings, town halls, providing feedback on school reports and policies under review, or completing surveys.

1.2.3. Community Building, Collaboration and Celebration

Parents and the School work together to build a strong sense of the School community and engage other community partners to strengthen school programs, family practices, and student learning and development. This includes, but is not limited to: attending assemblies, athletic events, performing arts, and school celebrations.

2. The School will foster and support parental engagement by providing:
 - 2.1. Information to incoming parents of the types of parental partnership and associated roles and responsibilities that are available.
 - 2.2. Parents with regular, clear and accessible communications about available opportunities for parental partnership.
 - 2.3. Opportunities for the parental community to gather, consolidate, and strengthen.

WELCOMING, CARING, RESPECTFUL AND SAFE LEARNING AND WORKING ENVIRONMENTS

The Charter Board is committed to providing a welcoming, caring, respectful and safe learning and working environment that respects diversity and fosters a sense of belonging. Each student and staff member within the School has the right to learn and work in facilities that promote equality of opportunity, dignity and respect.

The Charter Board is also obligated to protect all students and staff from harassment, discrimination, and violence or threat thereof during the School's activities. Discrimination as set out in the Alberta Human Rights Act includes sexual orientation, gender identity and gender expression. All those involved with the School including Directors, employees, students, parents, volunteers, contractors and visitors must share in the responsibility for eliminating bullying, discrimination, harassment, and violence. The Charter Board prohibits bullying, harassment, discriminatory, and violent behaviors and expects allegations of such behaviors to be investigated in a timely and respectful manner.

Inclusion and a sense of belonging for all students and staff – those from diverse backgrounds, those with learning challenges, those who excel academically or on the sports field, those of different colour, race, sexual orientation or beliefs – stems from creating an environment that focuses on our right to learn, not on the things that make us different and allow students and staff to focus on their individual success.

Specifically

1. The Charter Board acknowledges its responsibility to ensure welcoming, caring, respectful and safe learning and working environments for all students and staff. It recognizes the importance of students' and staffs' emotional, social, intellectual and physical wellness to their success in school and expects students to adhere to the Student Code of Conduct.
2. The Charter Board expects all Directors, employees, students, parents, volunteers, visitors, and contractors to embrace and support this policy.
 - 2.1 This policy covers behavior not only at the School, but also at any school-related functions. This applies whether contact is face-to-face, by phone, fax, e-mail, Internet or Intranet, or by any other means of communication and includes but is not limited to threatening, harassing, intimidating, assaulting or bullying, in any way, any person within the School community including aggressive behaviors such as "cyber" hate messaging and websites created in the student's home, in cyber cafes or other settings.
3. The Charter Board encourages reporting to a responsible adult all incidents of threats, bullying, harassment, violence or intimidation regardless of the identity of the alleged harasser or offender.

4. The Charter Board supports the establishment of student organizations and student-led activities that promote equality and non-discrimination, including but not limited to gay-straight alliances, queer-straight alliances, diversity clubs, anti-racism clubs, anti-bullying clubs and religious study clubs.
 - 4.1 If one or more students attending the School request a staff member employed by the Charter Board for support to establish a voluntary student organization, or to lead an activity intended to promote a welcoming, caring, respectful and safe learning and working environment that respects diversity and fosters a sense of belonging, the Principal shall
 - 4.1.1 Immediately grant permission for the establishment of the student organization or the holding of the activity at the School, and
 - 4.1.2 Subject to clause 4.3, within a reasonable time from the date that the Principal receives the request designate a staff member to serve as the staff liaison to facilitate the establishment, and the ongoing operation, of the student organization or to assist in organizing the activity.
 - 4.2 The students may select a respectful and inclusive name for the organization or activity, including the name “gay-straight alliance” or “queer-straight alliance”, after consulting with the Principal.
 - 4.2.1 For greater certainty, the Principal shall not prohibit or discourage students from choosing a name that includes “gay-straight alliance” or “queer-straight alliance”.
 - 4.3 The Principal shall immediately inform the Charter Board and the Minister if no staff member is available to serve as a staff liaison referred to in clause 4.1, and if so informed, the Minister shall appoint a responsible adult to work with the requesting students in organizing the activity or to facilitate the establishment, and the ongoing operation, of the student organization at the School.
 - 4.4 The Principal is responsible for ensuring that notification, if any, respecting a voluntary student organization or an activity referred to in clause 4.1 is limited to the fact of the establishment of the organization or the holding of the activity.
